SUBJECT : CIRIS Submission

1. Submissions for the Intelligence Community's Consolidated Intelligence Resources Information System (CIRIS) are requested by 21 August 1972. This year we are requesting Offices to provide a distribution of only their manpower ceilings by geographic and subject breakdown. FY 1973 Congressional Budget ceiling figures are to be used. For your Office this means 242 positions for FY 1972 and 232 positions for FY 1973.

2. An outline form for the submission is attached, as are the CIRIS geographic and subject target areas. Insofar as level of detail is concerned, previous CIRIS submissions may be used as a guide. Please also provide a description of the methodology employed by your Office in determining the distribution.
